

FOUR PROPOSALS PRESENTED FOR THE 2ND PHASE OF THE NOVO HOSPITAL WORKS

 TOBI HUGHES · 24TH FEBRUARY 2022

Yesterday, the 23rd of February, the deadline for submitting proposals to the public tender opened by the Regional Government of Madeira for the second phase of the contract for the construction of the Central and University Hospital of Madeira ended.

Four proposals were presented, whose values vary between 74.698.447.25 euros and 74.933.3333.33 euros", revealed this Thursday the Regional Secretariat for Equipment and Infrastructures.

The four proposals were submitted by the following competitors, which total 11 civil construction and public works companies, namely.

Mota – Engil, Engenharia e Construção, SA;

Tecnovia – Madeira, Sociedade de Empreitadas SA / AFAVIAS – Engenharia e Construções, SA / Socicorreia – Engenharia, SA / RIM – Engenharia e Construções, SA; ETERMAR – Engenharia e Construção SA / Constructora San José, SA / HCI – Construções SA / Alves Ribeiro, SA;

Teixeira Duarte – Engenharia e Construções, SA

The authority also reports that three other companies (Ramalho Rosa Cobetar, Sociedade de Construções, SA, Domingos da Silva Teixeira, SA and Construções Gabriel AS Couto, SA) "although they were interested in the tender, they did not submit proposals, as they were unable to base price of the procedure which, remember, was 75 000 000.00 euros".
